

WE ARE

Making Hennepin a

COOL county

INVESTING IN OUR SUSTAINABLE COMMUNITY:

Help dedicate the new energy
efficient lights along 46th Street

Learn more about one of the largest studies in energy efficient street lighting taking place in the state, and find out what simple steps residents can take to conserve energy in their own homes.

This project is part of Hennepin County's Minnehaha-Hiawatha Community Works project and supports Hennepin's Cool County Initiative.

Project partners include the City of Minneapolis, the Minnesota Local Road Research Board, the Longfellow Community Council, and the Standish-Ericsson Neighborhood Association.
